The Adorn Laminates Classic Collection impresses with its visual effect and exceptional durability. This cost effective floor has a high end feel, making it a perfect choice to enhance any interior space. Available in a range of colours, our Classic Collection can provide complete creative freedom.

With its excellent quality and an AC4 abrasion rating, this range is suitable for all levels of foot traffic in a residential environment, including entryways, kitchens, family rooms, playrooms and more.

Low maintenance and ease of cleaning makes this option a fitting choice for any busy household.
